

# City of Dreams

lets move away to the city today  
ain't nothing you can't do that a postcard can't say  
we can all get up and leave all this behind  
go somewhere where the sun always shines

(chorus)

won't you come with me to the city today  
where the beers always cold and the friends always stay till  
way past dawn won't you never move on  
past the city of dreams today

get up walk down the stairs to the hall  
pull up a chair at the table and take a glance at the wall  
notice its painted with memories from a distant fall  
a time long ago yet strangely not at all

chorus

the futures uncertain and the past is a blur  
of memories and photos of friends that were  
there when you took that step to the edge  
to finally find out if you sink or you swim

chorus
